

NARRATIVE REPORT

Accounts for the year 1st May 2022 - 30th April 2023

The accounts were in a healthy situation at the end of April 2023.

There are just a couple of things to explain

Bank Transfer

I transferred a significant balance from our current account to our savings account when interest rates increased to make it worthwhile.

Development

We used some of the funds we had acquired for 'Development' before Covid to fund a Level 3 coaching course.

Succession playing

As I announced last year I am standing down as Treasurer after 18 years and wish my successor and Herts Squash every success in the future.

A handwritten signature in black ink that reads "Paul Drakes". The signature is written in a cursive style with a large, looping initial "P".

Paul Drakes
Treasurer
