

Dear Coach/Parent

Re: Interclub Junior Squash... Many thanks to Steve Lloyd for running the league last year (as well as the county championships and Harpenden Juniors!!); just to let you know that Katie Winterstein (Tring) has kindly agreed to run this season's interclub programme with me. Could you return the entry form (sent out by Steve) and cheque for entry to Katie please and could you change the league secretary's contact details to:

Katie Winterstein home: Jackeaves, Tinkers Lane, Tring HP23 6JB
mobile: 07779 639259
email: kwarbs@hotmail.com

As you may have seen from the Herts Junior Calendar (on website) the 1st Matchday was due to be this Sunday...in discussion with other coaches we have moved it to Dec 8th to allow time for coaches to sort out their teams/book courts etc. Please let Katie know by this weekend (to allow enough time to sort out the fixtures) how many teams of 3 players you can put in the leagues. If you can give us a very rough idea of some of your players it helps us to match up teams for each division.

The 4 Matchdays are now **DEC 8, JAN 26, MAR 1, APRIL 19**

Just a reminder that all ages are from Sept 1st 2019. Three in a team but in discussion with other team managers it may be possible to put out a squad of more than three players!! We're looking again at having two or three divisions for U11, U13 and U19 (the U19 div 3 tends to be players who are 13/14 years old and maybe relatively new to squash) Apologies for the lateness of sending out the November Ranking list..I'm aiming to get this out at the end of this week.

Thanks for your support of Junior Squash
Best wishes, Julian 07711 748557
